Viking Treasure Trail

AR Experience (AR01)

Videos, 3D Models and Transcripts

01. Viking (Grim)

Well done Warrior! You have found Grim the Viking at the start of my Viking Treasure Trail. I'm Havelok and Grim is teaching me to be a great Viking warrior! I'm going to need an axe, sword, helmet and lots of other things for my training. See if you can find them on this trail. Good luck!

02. Axe

My Axe is called, The Kolga and made by Uffbert the blacksmith. It is engraved with a scene showing the great wave crashing over Grim's. Well done Warrior, you have found this Axe treasure.

03. Helmet

Did you know Vikings did not have horns on their helmets! They wore chainmail in battle and some helmets had eyepieces too. Well done Warrior, you have found this helmet treasure.

04. Sword (**NO 3D Model**)

Swords were made using lots of metal. Only the richest warriors could afford them. The sword is made of ore from Flixborough. Well done Warrior, you have found this Sword treasure.

05. Shield (**Only A Texture**)

The Vikings made a line of shields called a shield wall, one shield overlapping the next. It was very strong and hard to break up in battle. Well done Warrior! you have found this shield treasure.

06. Bowl

Berries and porridge, sizzling meat, fish, flat breads and even cakes, we had a colourful variety of foods to eat. Well done Warrior! you have found this wooden treasure.

07. Horn

The Vikings used cattle horns to call for war and as a drinking vessel, to drink Mead made from honey. Well done Warrior, you have found this Warhorn treasure.

08. LongshipArrival

The longship had a shallow hull so it could sail across seas and up rivers. Well done warrior, you have found this Longship treasure.

09. Congratulation Pattern

Congratulations, you have reached the end of the Viking Treasure Trail. Go to the start and collect your reward. (Music)
